As for this year 2008, we are looking for good things and sponsors who can help support our drivers for racing outside Thailand with supportive money and so on. For example, Khun Kajon is a one sponsor who always creates and supports special projects for karting Thai. We most appreciate his effort of building up kid racers as well.

Finally, we hope you guys will join our racing Super Kart Thailand 2008 to encourage us to go on organizing the races. Details of races with rules and regulations are sent with this letter. Additionally, the website superkartthailand.com is improving and correcting. You would certainly get information data every 7 days.

So, see you at the first race on March 16, 2008 at S.C. Motorsports, Saraburi.

Thank you,
