

SUPER KART THAILAND

Hello kart guys, how are you everybody? For the hot weather like this, hope you enjoy or take a rest on a recent festive holiday of Songkran 12-16 April. You did travel or play water somewhere, is that right? However, many of you are on a semester closing so you would have time to practice. So, go and do it at Bira Kart otherwise you would not catch up with your friends. Prepare your body and your heart perfectly for the next race of Super Kart Thailand at the coming up 3-4 May 2008.

The organizers would like to notify you, the Rok 125 cc and Rok Junior drivers that the racing tire will be changed from Bridgestone YGK which it has been used for several years to Bridgestone YKB. The YKB is a CIK tire using for a world level competition. It helps develop kart set-up technique as well as better the speed. You drivers will be speedy to get a chance to be selected for RoK Cup National Final at Italy in October. Learn this tire for inter competition and certainly the cost is up but not much. The new YKB is 5,900 per set and it is worth its cost. Other classes still use YGK. Changing is only for Rok 125 cc and Rok Junior classes.

Special for registered drivers, you can buy YKB coupon at 5,400 baht for one set. One driver can buy only one set. Any driver or any team able to buy 10 sets of Bridgestone tires at a special price of.....

Special for any racers who are interested in attending the 2nd race, we have rental engines of Rok 125 cc available 3 days-Friday-Saturday-Sunday at 5,000 baht. Call us at 02 721 9601 or 081 701 5849.

Besides, if you've already registered one class but would like to race for one more class. You then can pay only 1,500 baht for your additional class. (However, you will not get a free spark plug).
